POLYURETHANE DRAIN COVERS

This durable and flexible polyurethane drain cover offers a straightforward solution to prevent accidental chemical spills from entering grates and manhole covers. It ensures safety during the transport of hazardous materials.

Key Features:

- Material Composition: Crafted from a polyurethane gel bonded to a silicone fabric, providing flexibility and a secure seal.
- Colour: High-visibility yellow for enhanced safety and recognition.
- Handles: Equipped with handles for easy deployment and removal.
- Size Recommendation: Always select a cover larger than the area to be protected to ensure complete sealing.

Usage Instructions:

- Unfold the cover and position it over the surface to be protected.
- Press down to ensure full contact and sealing.
- After use, clean the cover with soap and water; it is reusable for future applications.

Applications:

Ideal for emergency response teams, industrial facilities, and transportation sectors handling hazardous substances. Its robust construction and ease of use make it a reliable choice for spill containment.

SPECIFICATION

SKU	WIDTH	LENGTH	HEIGHT	COLOUR	MATERIAL	PACKAGING	WEIGHT
RX045	45CM	45CM	0.8CM	YELLOW	POLYURETHANE	BOX	2.2KG
RX060	60CM	60CM	0.8CM	YELLOW	POLYURETHANE	BOX	3.4KG
RX090	90CM	650CM	0.8CM	YELLOW	POLYURETHANE	BOX	7.2KG
RX045B	45CM	45CM	0.8CM	YELLOW	POLYURETHANE	CARRY BAG	2.2KG
RX060B	60CM	60CM	0.8CM	YELLOW	POLYURETHANE	CARRY BAG	3.4KG
RX090B	90CM	650CM	0.8CM	YELLOW	POLYURETHANE	CARRY BAG	7.2KG
